

ADOPT-A STREET PROGRAM

In an effort to improve the appearance of our community, the Board of Directors have instituted this program whereby Members can “Adopt” their street and periodically pickup accumulated litter:

- Members may sign up to Adopt their street in the Administration Office which shall keep a record of all volunteers in the Office
- At least quarterly, the Member will bag any litter that has accumulated along that street. Garbage bags will be provided at the Office.
- The Member will wear high visibility clothing at all times during this process. Reflective safety vests will be provided
- The Member will conduct this litter pickup only during daylight hours and in good weather
- The Member will NOT pickup hypodermic needles, broken glass or heavy objects, but instead notify the Gold Key Administration Office so that arrangements can be made to pick up such items for disposal
- The Member will dispose of any accumulated litter in their own garbage tote, properly bagged
- The Member will notify the Administration Office if they no longer wish to participate in the program
- The Member will not go on any Member’s property beyond the 10 foot easement from the road
